About Me

My name is Mrs. Jenna Feldman. This is my fifth year teaching at SFA! The past 4 years I have taught PreK, and I am super excited to move up to Kindergarten! I attended SFA as a student from K-8th grade, and I love being back in the school as a teacher. I attended Cabrini University, where I received a Bachelor's degree in Early Childhood Education and Special Education.

Welcome to Kindergarten!

I'm so excited to be your Kindergarten teacher this year! We are going to have so much fun and learn so many exciting new things! The success of my students, academically and social-emotionally, is my top priority. Additionally, I think that working with families is essential to a child's academic performance. I encourage you to continue what your kid is learning at school at home and to get in touch with me if you need any assistance!
