Miss Gustafson

### About Me

My name is Miss Dianne Gustafson, though most know me as Miss G. I have been teaching for over 30 years! At home, I spend time with my 22-year-old Cockatiel, Sonny. She's quite bossy and has a love for "people food". I enjoy walking through my beautiful neighborhood, painting, crafting, cooking, watching Netflix, and going out with friends. I have 3 brothers—two live in California, and one resides here in PA, in the Pocono Mountains.

### Education

I completed my undergraduate studies at Kutztown University and earned my Master's Degree from Cabrini College, both in Early Childhood and Elementary Education. If I could, I would be a lifelong student because I have a passion for learning!

### Contact

Communication with families is very important to me. For any questions or concerns, feel free to reach out to me on Class Dojo. If you have an immediate matter, please contact the school office at (610) 272-0501.
