Middle School Supply List 2026-2027 (7th Grade & 8th Grade)

Parent(s)/Guardian(s): Please keep in mind that the desks in the Middle School Classrooms do not have a place for supplies inside the desk. Students will keep these supplies in a Bin with their Name on it in our Class Closet. Cell phones are to be turned off and remain in your student's backpack. Students are not to have cell phones on their person. If a student's cell phone is out during the school day, it will be taken, turned off, and sent to the Main Office. Here, a parent/guardian will be responsible to pick-up the cell phone.

For the 2026-2027 school year, the 7th Grade & 8th Grade will need the following materials and supplies. Each supply serves as a tool for helping students learn their best; therefore, it is important that every child has all supplies. Some supplies may need to be replenished during the school year. Thank you for your cooperation!
